Hon. Douglas P. Woodlock,

U.S. District Court,

John Joseph Moakley U.S. Courthouse,

One Courthouse Way,

Boston, Ma. 02210.

Dear Judge Woodlock,

I am writing this letter on behalf of my friend Edward Tutanjian. I have good working relationship with Edward Tutanjian for over twenty years. I base cab from his company.

Edward Tutanjian is currently facing a jail time because of mistake he made.

Edward Tutanjian is a complete gentleman.

He is a humble man and above all, he is a nice and kind man. On numerous occasions he came to my rescue when I am broke. He does same to many others. Should Edward go to jail it will be tragic. Please, your honour, you have the power to prevent this from happening. Edward Tutanjian is a human. Human makes mistakes. You are reassured it will not happen again. Thank you very much for

taking the time to read this.

Very truly yours  
Dominic Esbjie.
